6 Distinct Styles

Every Dress is a Little Jewel

The woman who is ultra particular, especially the woman who loves the youthful note in her clothes, will be delighted, for here are dresses for the young and youthful. AND FINISHED SO BEAUTIFULLY.

The materials are in the mode and style for summer-times. Chiffon, Duchesse, Taffeta, Georgette, Crepe-de-Chine—and still others.

Every lovely summer coloring is among them, and the combination of colors is most attractive. The designs are feminine, unmistakably stamping them as the work of a master in the Art of Dress.

JUST TO DESCRIBE ONE UNIQUE STYLE AS AN INDICATION OF THE EXCLUSIVENESS OF THESE DRESSES.

These Chiffon Taffetas with wide elastic waist neck and full hem has pointed bodice falling in full straight lines to feet of satin. It is unbordered back and front with gold heads the same shade as the belt. The bodice is gathered at the waist and falls through waist to the back, forming a long sachet.

The sleeves are trimmed along the seams to the above with many small gold buttons.

This style also comes in Rose and Chambagne.

**Womens Wash Dresses Priced
The Bon Marche Way**

SENSATIONAL is not too strong a word to use in describing the value of these pretty frocks. They meet with fashion's own approval in the daintiness of their style; and the print of which they are made is substantial in weight and fast in color; they are mostly in white grounds with near stripes, checks and small designs in various colors.

Trousers are made in the Billy Burke style with an all round belt running through slats, the belt, collar, cuffs and two pockets are all trimmings, hand stitched, borders of rose. Felt like navy tan or maize. Not more than two in a customer.

A Watch Made For Soldiers' Use

We have just received another shipment of Soldiers' Wrist Watches. It has been very difficult for us to supply the demand for this popular watch, but have been continuing in securing a limited number which we can sell at the old price. This watch is built for "service." We have sold hundreds to "the boys" going over and one not has proved unsatisfactory.

CALGARY EYE OPENER

June 1918
The Honorable Minister of MILITIA,
Ottawa, Canada.

Dear Sirs:

We assume addressed Departmental.

We do not take this step without

the advice of our legal counsel,

but we do so in accordance with

the laws of the land.

We have been advised that

the laws of Canada require

that all persons be held liable

for damages resulting from

the use of arms, whether

such arms are used lawfully

or unlawfully, and that

any person who uses such

arms in a manner which

is illegal or contrary to the

laws of the land may be

held liable for damages

resulting therefrom.

The question arises, however,

whether the laws of Canada

apply to the use of arms

by members of the Canadian

Army in the field.

It is the opinion of the

Minister of Militia that

the laws of Canada do not

apply to the use of arms

by members of the Canadian

Army in the field.
